COMMENTS:

This bill would establish the California Police Activities League Fund for taxpayer contribution designation on the personal income tax return.

The March 26, 2004, amendments added "California" to the name of the fund and made changes to the allocation language. As a result of the change to the allocation language, the technical concern discussed in the department's prior analysis has been resolved. The remainder of the department's analysis of the bill as introduced February 19, 2004, still applies.
